THE SKI AREA

Nestled at the foot of several of the region's highest summits, Pralognan-la-Vanoise enjoys an ideal location and receives copious amounts of high-quality snow. The area's amazing skiing was discovered long ago, both by experts in search of thrilling descents as well as families won over by such easily accessible terrain.

The Pralognan-la-Vanoise ski area totals 24 runs and 12 lifts, with a top elevation of 2350m. It offers almost 1000m of vertical drop, with breathtaking views of the Grande Casse and the glaciers of the Vanoise Range.

With a **GRAND SKI** pass, you can also take advantage of your stay in Pralognan-la-Vanoise to discover neighboring resorts:

- La Plagne (172km of runs) just 15 minutes from Pralognan
- Courchevel (150km of runs) just 30 minutes from Pralognan

A free shuttle is available between Pralognan-la-Vanoise and Champagny (La Plagne ski area), subject to the road reopening.
